

Dear Community Partner,

Friends of West Hollywood Elementary (FOWHE), the 501c (3) charitable organization of West Hollywood Elementary, a public school within the Los Angeles Unified School District, will proudly celebrate its 13th anniversary at our Gala and Silent Auction on **March 14th, 2020 at The Andaz Hotel**.

Even though LAUSD provides many of the critical elements to make West Hollywood Elementary one of the best schools in California, our parent community believes more is needed. Our organization is 100% run by volunteers so every dollar we raise is invested in the education of our own children. FOWHE works hard to ensure that WHE has the revenue needed to continually provide extra programs that enhance our children's education. These "extras" include physical education, music, art, innovation and technology, dance, field trips, teachers' aides and more. Thus, each year, FOWHE strives to raise **\$550,000** to fund these critical initiatives. One thing that sets us apart from other public elementary schools is our extraordinary relationship with our community and, more importantly, the West Hollywood business community. We hope that you will help us honor our 13th anniversary by helping us to exceed our fundraising goal and lock in the best education for our community's children. Your donation will be seen by over 400 grateful and loyal families in the West Hollywood Elementary School circle.

Be part of our 13th anniversary event by donating an item to our silent auction. Your participation will be noticed and remembered by our families.
